Meeting called to order at 5:35 PM. Motion by Anne Marie, seconded by Jerry.

Meeting closed to public input so members can complete the business on hand. Attendance taken and recorded as indicated above. Minutes from previous meeting were approved as written.

- **DISCUSSION ITEM:** There seemed to be a concern that the Town of Pensaukee does not have an ordinance for lighting in regards to the new gas/convenience center opening soon on USH 41. Anne Marie discussed this with Oconto County zoning and it appears that this has been address by the county ordinance defining lights and necessary things to do to not cause issues with neighbors. Anne Marie also brought a copy of the ordinance that Abrams has in place. It was decided that there is no action regarding this unless someone has a specific item to discuss.
- **DISCUSSION ITEM:** We need to start work on the plan to make sure it is being kept up to date. We will discuss this at our next meeting to plan some future agenda items and assignments.
- **DISCUSSION ITEM:** The issue of access to the town hall on weekends was brought up at the last town meeting for discussion. The board decided that they would not grant this access. Our committee now needs to determine if we should continue to have Bill work on his own computer at home and charge for this or consider purchasing a laptop or desktop for Bill to use. Without access to the offices where the two computers are located this may be necessary.

>Agenda items completed, chair opened meeting to public input.

>Next meeting scheduled for Monday May 5th 5:30PM and members are reminded to be present whenever possible so that a quorum is available for action items and other planning work. Jerry requested adjournment, seconded by Anne Marie, meeting adjourned.
